Location: He's based In
Connecticut which I want to flag.
Just looking towards working long
hours and being at the office at
different hours

Expectation of Role: I did ask what
he's looking to get out of the role,
and he did mention he could see
himself in the role for a year. While
he's great, I think the expectation to
be in this role for

For cons

Do u think that's enough

Obv loved him but aware of
situation

yea thats fine

def mention diversity candidate

or lack there of
